2

County Road Inventory – What is it?

- Since 1995 TxDOT has been collecting and maintaining County Road mileage
- Senate Bill 971

149,782 miles of county roads

V.G. Young School for County Judges and Commissioners February 22, 2023

3

Why is the County Road Inventory important?

- Texas Transportation Code §256.002 (b.3)
- Distribution of County & Road District Highway Funds

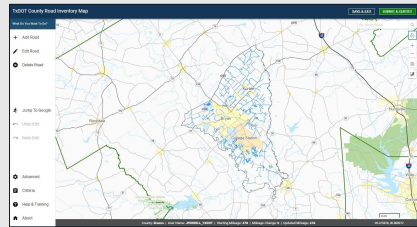

Lateral Road Mileage
Total number of certified county road miles along the center line of all roads within a county regardless of the number of lanes it contains or the surface type

V.G. Young School for County Judges and Commissioners | February 22, 2023

4

What's New? - County Road Inventory Map

- County Road Inventory Map released on September 1, 2022
- Replaced the Data Updates & Sharing Application (DUSA)
- A tool for county officials to verify and make updates to TxDOT's roadway inventory.

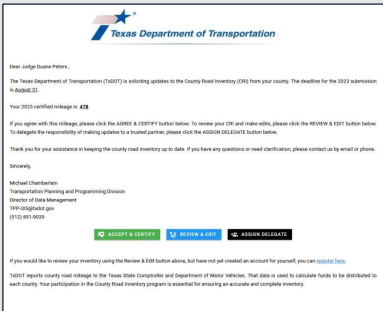

V.G. Young School for County Judges and Commissioners | February 22, 2023

5

County Road Inventory Map - Improved Workflow

Streamlined workflow for:

- Certifying
- Editing
- Delegating

V.G. Young School for County Judges and Commissioners | February 22, 2023

6

County Road Inventory Map – Direct Editing

Make direct edits to county roads instead of creating markups on top of county roads, as was the case with DUSA

V.G. Young School for County Judges and Commissioners February 22, 2023

7

County Road Inventory Map - Guided Editing

Built-in step-by-step editing process to guide users

V.G. Young School for County Judges and Commissioners February 22, 2023

8

County Road Inventory Map – Mileage Information

County road mileage updated within the CRI Map

V.G. Young School for County Judges and Commissioners February 22, 2023

13

Important Information

- CRI Map is designed for everyone
- More than one person per county can make edits using the CRI Map, but they need to sign-up for their own accounts
- If you are a COG or MPO assisting multiple counties, you will need to register separate accounts for each county
 - John.Smith_Brazos
 - John.Smith_Burleson
 - John.Smith_Madison

Thank you!
